PALLET STORAGE FOR
IMPORTERS AND PRODUCERS

Are you a consumer goods (FMCG) Importer, Local Manufacturer or are you looking to trial a new product in the Nigerian Market?

Then you should consider our excellent 'Store and Sell!' package. This will allow you to take advantage of our state-of-the-art Retail Warehouse space, with cold storage for heat sensitive products, located strategically in Lagos Nigeria. From here, we can also assist you in selling and distributing your product to walk in wholesale customers as well as distributing your products throughout Nigeria and West Africa. This means you can take advantage of our well established distribution network, consisting of many local partner distributors located throughout the country as well as benefit from online sales generated through our wholesale website. Your products will immediately gain good coverage in terms of marketing and consumer reachability.

Store and Sell! provides the answer for you with our flexible business storage spaces. We cater for both big and small businesses, so if you need just one pallet stored or 1,000 pallets for a month or for years then we can provide affordable storage/wholesale retail space for each and anywhere in-between. And, you can adjust the space you need and only pay for that – with no other charges... at all.

By choosing Store and Sell! You will benefit from:

- **Tailored Storage** – You will benefit from our flexibility which allows you to tailor your pallet storage to the exact requirements that you need. Our friendly staff will assist you in selecting the right positioning of your storage space in the warehouse, all at the most cost effective rates.
- **Economical Storage Prices** - Because you only pay for what storage space you need or use and you can increase or decrease the space when planning for your business's ups and downs, it's the most economical way to go. And of course there are no hidden costs or fees.
- **Store As Much As You Like** - You will get your palletised goods stored for you on our steel pallet shelving units or open areas, whichever is most suitable for you. You can store just one single pallet or thousands of pallets, whichever you need.
- **Come and Go As You Please** - All our stores offer flexible storage, there's no commitment to, or lease agreement - you can store your goods for as little as one month, or as long as a year. And access is always free, when we're open, 7 days a week.
- **Pay by the pallet or for the space** - it's up to you - and it's on a monthly basis, so you only pay for what you need that month and you can keep the costs down to a minimum.
- **Amazing Prices** - Our prices start from as little as ₦10,000 per month per pallet, along with this you'll also get free handling too from one our qualified and dedicated staff members. Our prices are all fully inclusive of all our services, with there being no extra service or charges for utilities on top. We promise to guarantee the cheapest prices locally and beat any cheaper prices that you are quoted.
- **Free Fork Lifting** (you don't find that at many self storage companies!), pallet trucks and trolleys.
- **Easy Parking & Access** – Our storage spaces and warehouse are easy to access with easy parking and big loading bays and wide corridors.
- **Help with Deliveries** - We'll keep deliveries safe and secure for you and help in any other way we can to make storing and selling your products easy.
- **Your products on our website** – Benefit from free exposure. Any product we store will also be listed on our website. You will get one week's free listing on our featured products section as well as an email promoting your products to all our online customers.
- **We sell for you!** – As well as storing your products, we are an established wholesale distributor in Nigeria with over 3,000 registered trade customers ranging from supermarkets, schools and universities, hotels, restaurants, regional wholesalers, government institutions, market traders and many many more... We will help get your products SOLD FAST!
